Disney Dreamers & Doers Recognized at Orlando Magic Game

LAKE BUENA VISTA, Fla., May 14, 2012 - The Disney Dreamers & Doers Shining Stars, selected earlier this spring, enjoyed some fun and further recognition at the April 25 Orlando Magic vs. Indiana Pacers game. Students and their family members came from across Orange, Osceola, Seminole, Lake and Polk counties to attend the final regular-season home game and cheer on the Magic. At halftime the students were recognized for their achievement and brought onto center court to thunderous applause.

Congratulations once again to the approximately 400 students chosen as their school's 2012 Disney Dreamer & Doer, and to the 18 Shining Stars! Our community's future is indeed bright thanks to the outstanding character, leadership and caring spirit that each of them possess.
